RE: Mailbox and Post Upgrade and Compliance

At the Board of Directors Meeting on April 27, 2017, the board voted unanimously to require the following:

As a property is sold, or changes ownership by any means the mailbox and post will be required to be brought up to compliance of the standard that has been in place for several years. The new homeowner will have 30 days to be in compliance with rules of Marsh Pointe.

Most of the older design mailboxes and posts need some refurbishing. If your old style mailbox and post are unable to be restored to their original look and design, they need to be replaced with the newer design mailbox and post. The specifications and ordering information are enclosed.

If there are any questions, please contact Hal Gantt at 239-997-8114.

Thank you very much,

*The Marsh Pointe Board of Directors*
