RE: Trash/Recycle/Landscape Vegetation Disposal Regulations

It is time to refresh everyone's memory on Marsh Pointe Regulations:

- Do not put trash, recycle or landscape vegetation on someone else's lot, or Marsh Pointe Common Areas.
- Do not put these items out until after 6 PM the night before.
- Please inform your landscape vendor of these regulations.

Rule #9 in Marsh Pointe Rules and Regulations

9. No lot shall be used or maintained as a dumping ground for rubbish. Trash or other waste should not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such materials shall be kept in clean and sanitary condition. All garbage or trash containers, oil tanks, and bottle gas tanks must be underground, placed in wall areas or landscaped so that they shall not be visible from adjoining properties. Garbage or trash containers may not be placed in front for collection until the evening before the day scheduled for pickup. No vehicles or trailers of any kind may be parked or stored in a yard or vacant lot.

If there are any questions please contact Hal Gantt at 239-997-8114.

Thank you very much,

*The Marsh Pointe Board of Directors*
