# Parking Decals

All residents of Sunset of Fort Myers need to complete a copy of this form for each car they keep on site.

When you have completed the form(s), you will be issued a static cling parking decal for your car(s). If you already have a decal, this form will replace the form you completed initially

The decal should be placed on the interior of the windshield on the lower portion of the passenger side.

If the static cling begins to fail and the sticker begins to peel off, remove and wash the sticker with cold water and pat it dry. This should restore the static cling. Decals can be removed and reused by this process.

When you dispose of your car, please transfer the decal to any new vehicle and inform management of any changes.

If you have questions, please contact Premier CAMS 239-217-6599 or by email to Judy@PremierCAMS.net

Sincerely,

Your Sunset of Fort Myers Board of Directors
